Carry On You Vagabonds - Gary Louris

This is my very first tab EVAR - be gentle.

I m 85% certain about the changes in the chorus

Simple song, crazy lyrics, addictive chorus - enjoy!

Carry on you vagabonds, everyone s gone away

Crossed-eye and Husky are coming down the ridge

Folky singers with cold harmonica s

Carry on you vagabonds, everyone s gone away
Carry on you vagabonds, everyone s gone away

Roll me over, tell me I m alive
Shadow breathing right between the eyes

Carry on you vagabonds, everyone s gone away
Carry on you vagabonds, everyone s gone away

Carry on you vagabonds, everyone s gone away

Carry on you vagabonds, (blah blah blah)
