

Every Word
Gary Louris

•

Gary Louris <http://www.garylourismusic.com/>

(intro)

D **A** **G**

First Verse

D
You know every word is made up of letters
A **G**
Made up of letters, Made up of letters
D
Put them together and that makes it better
A **G**
That makes it better, that makes it better

Chorus

D **Asus4** **A** **C** **G**
I ve been loving you for so long, so long
D **Asus4** **A** **C** **G**
I ve been loving you for so long, so long

Second Verse

D
Before you appeared life was a puzzle
A **G**
life was a puzzle life was a puzzle
D
I am the stone and you are the chisel
A **G**
you are the chisel, you are the chisel

Chorus

D **Asus4** **A** **C** **G**
I ve been loving you so long, so long
D **Asus4** **A** **C** **G**
I ve been loving you so long, so long

Bridge

C **G**

Truth is a place much like a meadow

C **G**

sun peaking out chasing the shadows

C **G**

fill in the blanks and I m ever grateful

A **Em** **A**

then came the wind and suddenly floated away

D

See this change I barely remember

A **G**

barely remember, barely remember

D

into the spring and spring into summer

A **G**

spring into summer, spring into summer

D **Asus4 A C G**

I ve been loving you so long, so long

D **Asus4 A C G**

I ve been loving you so long, so long

D **Asus4 A C G**

I ve been loving you so long, so long

D **Asus4 A C G**

I ve been loving you so long, so long
