Looking Back
Gary Moore

```
D                              C
I was looking back to see if she was looking back

        G                          C C# D
To see if I was looking back at her

G
I saw her walkin  down the street
So little and she looks so sweet
C
I followed her for half a mile
G
I had to stop and talk a while
    D                      C
Coz I was looking back to see if she was looking back

        G                          C C# D
To see if I was looking back at her

G
She had some yellow golden hair
I m gonna follow everywhere
C
She had a wiggle when she walked
G
I wanted her to stop and talk

            D                          C
You know that I was looking back to see if she was looking back

        G                          C C# D
To see if I was looking back at her
```

SOLO Chords played over **G C D** - **D C G C C# D** (twice through)

```
G
She had some yellow golden hair
I m gonna follow everywhere
C
She had a wiggle when she walked
G
I wanted her to stop and talk

            D                          C
You know that I was looking back to see if she was looking back
```

```
        G                        C C# D
To see if I was looking back at her

          D                           C
You know that I was looking back to see if she was looking back

        G                        C C# D
To see if I was looking back at her

          D                           C
You know that I was looking back to see if she was looking back

        G                        C C# D
To see if I was looking back at her
```
