Wind Beneath My Wings
Gary Morris

C **F**
It must have been cold there in my shadow
C **F**
To never have sunlight on your face
Dm **G** (**G7**)
You were content to let me shine
Dm **G**
You always walked a step behind.

C **F**
So I was the one with all the glory
C **F**
While you were the one with all the strength
Dm **G** (**G7**)
A beautiful face without a name
Dm **G** (**Gsus7**)
A beautiful smile to hide the pain.

Chorus: **Am** **F** **C** (decend Notes)
Did you ever know that you re my hero?
Am **F** **C** (decend)
And everything I d like to be?
Am **F** **C Am**
I could fly higher than an eagle,
F **G** **C**

Cause you are the wind beneath my wings.

C **F**
It might have appeared to go unnoticed,
C **F**
But I have it all here in my heart.
Dm **G** (**G7**)
I want you to know I know the truth
Dm **G** (**Gsus7**)
I would be nothing without you.

Chorus: **Am** **F** **C** (decend Notes)
Did you ever know that you re my hero?
Am **F** **C** (decend)
And everything I d like to be?
Am **F** **C Am**
I could fly higher than an eagle,
F **G** **C** (**Am**)
Cause you are the wind beneath my wings.
F **G** **C**
Cause you are the wind beneath my wings.
