C F (x2)

Am
We are young we can break
Watch us fall
G
We can take some train
Down to the sea
F
We are glass, we are glass
Am
We are real you can touch
Just for now
G
And then say
Hey you, which way is down
F
We are glass, we are glass

C F (x2)

Am
We are strong we run though
We have time
G
And to you Im just
One of those boys
F
We are glass, we are glass
Am
We are cold
Were not supposed to cry
G
But it s all just a thought
So here am i
F
We are glass, we are glass

C
They run fast
Impressions of the floors inviting
F

Stay with me, stay with me

C

They run past

With telephones they scream

F

Well would you turn all this down

Turn all this down

G

You are replaced you are you

And our dreams are real

And dreams are all we need

F

We are glass, we are glass

C

They run fast

Impressions of the floors inviting

F

Stay with me, stay with me

C

They run past

With telephones they scream

F

Well would you turn all this down

Turn all this down
