We are young we can break  
Watch us fall

**F**

We can take some train  
Down to the sea

**Eb**

We are glass, we are glass

**Gm**

We are real you can touch  
Just for now

**F**

And then say  
Hey you, which way is down

**Eb**

We are glass, we are glass

**Bb Eb** (x2)

**Gm**

We are strong we run though  
We have time

**F**

And to you Im just  
One of those boys

**Eb**

We are glass, we are glass

**Gm**

We are cold  
Were not supposed to cry

**F**

But it s all just a thought  
So here am i

**Eb**

We are glass, we are glass

**Bb**

They run fast  
Impressions of the floors inviting

**Eb**

Stay with me, stay with me

They run past

With telephones they scream

**Eb**

Well would you turn all this down

Turn all this down

**F**

You are replaced you are you

And our dreams are real

And dreams are all we need

**Eb**

We are glass, we are glass

**Bb**

They run fast

Impressions of the floors inviting

They run past

With telephones they scream

Well would you turn all this down

Turn all this down
