YEAR: 1980

**B E** (x2)

**G#m**  
We are young we can break  
Watch us fall

**F#**

We can take some train  
Down to the sea

**E**

We are glass, we are glass

**G#m**  
We are real you can touch  
Just for now

**F#**

And then say  
Hey you, which way is down

**E**

We are glass, we are glass

**B E** (x2)

**G#m**  
We are strong we run though  
We have time

**F#**

And to you Im just  
One of those boys

**E**

We are glass, we are glass

**G#m**  
We are cold  
Were not supposed to cry

**F#**

But it s all just a thought  
So here am i

**E**

We are glass, we are glass

**B**  
They run fast  
Impressions of the floors inviting  
**E**

Stay with me, stay with me

**B**

They run past

With telephones they scream

**E**

Well would you turn all this down

Turn all this down

**F#**

You are replaced you are you

And our dreams are real

And dreams are all we need

**E**

We are glass, we are glass

**B**

They run fast

Impressions of the floors inviting

**E**

Stay with me, stay with me

**B**

They run past

With telephones they scream

**E**

Well would you turn all this down

Turn all this down

**G#m**
