You Are In My Vision , by Gary Numan
>From the album Replicas

=====

For the verses, the bass plays this:

E	A	7x, then:	D	Db	A
G-----			-----		
D-----			-----		
A-----0-0-----			5---4---0-----		
E--0-0-3-4-----4-3-			-----		

For the choruses, just thump on the root of the appropriate chord a couple of times at the beginning of each bar.

Here s the whole song:

=====

A **E**
Fade to scenes of violence
A **E**
Like a T.V. screen but silent
A **E**
Where the victims are all paid
A **E**
By the hour

Staring at the ceiling
As she gyrates all around me
I m trying to forget

D **A**
She s done this all before

Far too many people

For a quiet night with myself
Oh, I could be anyone
Tonight.

A **E**
Focus on a feeling
 A **E**
I ve detected while I m sleeping
 A **E**
Sing a chorus of On Broadway
 D **A**
And deny it all

D **Db** **A**
You are in my vision

I can t turn my face

You are in my vision
I can t move my eyes
You are in my vision
I can t move at all
You are in my vision

Delicate bodies
That decay beneath their clothing
Play cards in an empty house
In Paris

The wreckage of a hero
Lies broken in the corner
And everyone pretends
They like to live that way

You are in my vision
I can t turn my face
You are in my vision
I can t move my eyes
You are in my vision
I can t move at all
You are in my vision

(etc. End on **G**)
