Warrior is a Child

By Mr. Gary Valenciano

This is a very nice song!! I listened to the original version of this and it s correct! Enjoy!

[Intro]

**G C9 D C9**

[Verse 1]

**G D C9 D**  
Lately I ve been winning battles left and right

**G D C9 D**  
But even winners can get wounded in the fight

**Em G**  
People say that I m amazing

**Em D**  
I m strong beyond my years

**Em G**  
But they don t see inside of me

**C9 D**  
I m hiding all the tears

[Chorus]

**G C9 D**  
They don t know that I come running home when I fall down

**G C9 D**  
They don t know who picks me up when no one is around

**Em C9 G D**  
I drop my sword and cry for just a while  
(Look up for His smile)

**Em G**

Coz deep inside this armor

**C9** **D** (**G**)

The warrior is a child  
(Aahhh)

**G** **C9** **D**

Unafraid because His armor is the best

[Verse 2]

**G** **C9** **D**

But even soldiers need a quiet place to rest

**Em** **C9**

People say that I m amazing

**G** **D**

I never face retreat, oh no

**Em** **G**

But they don t see the enemies

**C9** **D**

That lay me at His feet

(repeat Chorus 2x)

This is dedicated to Gab...
