[Verse 1]

**Em**                    **C**                    **G**  
You wouldn't let me stay a captive  
**Em**                    **C**                    **G**  
You couldn't stand to see my chains  
**Em**                    **C**                    **G**  
And so You came to be my rescue  
**Em**                    **C**                    **D**  
To part the waters in my way

[Chorus]

**G**                                    **D**  
Jesus, You are my deliverance  
                                  **Em**                                    **C**  
From death to life, from dark to light  
**G**                                    **D**  
Jesus, You show me what freedom is  
                                  **Em**                                    **C**  
You call my name, You broke my shame  
                                  **Em**  
You are my deliverance

[Interlude]

[Verse 2]

**Em**                    **C**                    **G**  
You wouldn't let me stay in judgement  
**Em**                    **C**                    **G**  
You took the wrath that I deserved  
**Em**                    **C**                    **G**  
Your outstretched arms became my rescue  
**Em**                    **C**                    **D**  
Your blood has told me what I'm worth

[Chorus]

**G**                                    **D**  
Jesus, You are my deliverance

From death to life, from dark to light

Jesus, You show me what freedom is

You call my name, You broke my shame

You are my deliverance

You are my deliverance

[Bridge]

Cause Your love defeated the enemy

Cause Your love defeated the enemy

Now there is victory ahead of me

There s no looking back, no looking back

Cause Your love defeated the enemy

Cause Your love defeated the enemy

Now there is victory ahead of me

There s no looking back, no looking back

Cause Your love defeated the enemy

Cause Your love defeated the enemy

Now there is victory ahead of me

There s no looking back, no looking back

Cause Your love defeated the enemy

Cause Your love defeated the enemy

Now there is victory ahead of me

There s no looking back, no looking back

[Chorus]

Jesus, You are my deliverance

From death to life, from dark to light
