Intro: Am (x2)

Am C G F
If we go softly we might as well not make a sound
Am C G F
If we speak gently we ll never break the crowd
Am C G F
If you keep hiding how will they know what you can do
Am C G F
I m not residing within these walls with you

Dm C Am
Careful hearts might stay protected
Dm C G
But rebel hearts get resurrected

F G C F G Am
See our fire flames light up this town
F G C F G Am
Learn our every name or burn it down
F G C F G Am
Don t go back to then, don t kill your voice
G E Am
Stand (?) like girls or men, but make some noise

Am C G F
If we go quiet how will he know he s not alone
Am C G F
If you won t riot don t bother coming home
Am C G F
Just go on and fake it you don t have to believe me now
Am C G F
For we will make it, I know we will somehow

Dm C Am
Careful lives seem so forgiving
Dm C G
But in those lives there s no one living

F G C F G Am
See our fire flames light up this town
F G C F G Am
Learn our every name or burn it down
