Dreams
by: Gavin Degraw

just a hint X/Y= X left hand Y=right hand for those piano users...

G   **D**   (**C#** on the piano)
Spending all my money on phone cards
C   **G**   (G#/**E** on piano)
Waiting for my ship to come in,
A
in from that ocean
D   **D#**/**B**   **Em**
Come home to this sea,
D   **C**
harboring in me
G   **D** (**C#**)
I don t believe in four-leaf clovers
C   **G**   (G#/E)
or the luck they re supposed to bring
A
I ve used all my wild cards
D   **D#**/**B**   **Em**
But there s something I can do
D   **C**
To get close to you

Chorus:
Em   **C**   **G**
I ve got dreams of love and I love you
Em   **D**   **C**
I know you feel the same way too
B/G   **A**   **D** (D#/B)
I feel your spirit when you re near me and when you re away
Em   **D/G**   **C/A**
Somehow, somewhere I ll see you again
B/G   **A**   **D**   **G**
But until then I ve got dreams of loving you

Verse:
G   **D**   (**C#**)
Thinking bout every little thing we ever did crazy
C   **G**   (G#/E)

```
Sipping on that memory lane
A
That lane never closes,
D       D#/B        Em
seven days of the week
D                   C       D
I can drive in my sleep cause

Chorus:
Em                    C               G
I ve got dreams of love and I love you
Em                    D       C
I know you feel the same way too
B/G                             A                       D  (D#/B)
I feel your spirit when you re near me and when you re away
Em          D/G                 C/A
Somehow, somewhere I ll see you again
B/G                         A           D       G
But until then I ve got dreams of loving you

F#                  G
Dreams I will share
        Am          C
when I see you again
D                   D#/B        Em
And I ll see you again pretty soon
C#dim
I pray
Cm
but until then....

Chorus:
Em                    C               G
I ve got dreams of love and I love you
Em                    D       C
I know you feel the same way too
B/G                             A                       D  (D#/B)
I feel your spirit when you re near me and when you re away
Em          D/G                 C/A
Somehow, somewhere I ll see you again
B/G                         A           D       G
But until then I ve got dreams of loving you

optional ending (made it up)
B/G                         A       D   Em
But until then I ve got Dreams of loving you

D-C#dim         Cm                      Am          Cm-D   G
```

But un-til then i ve got dreams of loving you.

thanx, my name is Rommel Valenzuela hope u ll like what i figured out.
