

**Finest Hour**  
**Gavin Degraw**

**C**

Got a text from you

**Em**

Is it really true?

**Am**

**F**

**G**

All the stuff we did last night

**C**

We shut down the bars

**Em**

Danced on top of cars

**Am**

**F**

Asked some girl if she'd be my wife

(Pre-Chorus)

**Dm**

**Am**

**B**

Oh and I got pictures that I don't remember taking that are so bad

**C**

And oh had to break into my own damn apartment

(**B**) (**C**) (**D**)

How about that?

They say the best stories come from the worst nights baby but

**C**

Oh it was crazy

**Em**

And Oh it was amazing

**Am**

We blew all our money

**F**

And crashed in your Mercedes

**C**

And we both got numbers

**Em**

But didn't get the names

**Am**

**F**

And my whole damn party lost power

**F**

**F**

**F**

It was, it was, it was... Our finest hour

**C**

Bruises on my knee

**Em**

They're all over me

**Am**

**F**

**G**

Think I might have lost a fight

**C**

Found a drink receipt

**Em**

From 42nd street

**Am**

**F**

Remember we must have lost our minds

**Dm**

**Am B**

And I got pictures that I don't remember taking that are so bad

**C**

I think I might've fell asleep in the subway

(**B**) (**C**) (**D**)
