I Have You To Thank Gavin Degraw

D Bm

Whenever I see you I need more

And I want you to stay til the end

One look at that smile and I m all yours

Will you just smile at me again

Dmaj7/C# Em

I have you to thank for making me so

So hard to please because you treated me so

D Dmaj7/C# Bm

Good that no one else could hold your make-up

E7 G

The difference I m feeling in my heart Is the difference of loving or not And under the stars and moon and sun Is the perfect becoming of one

A Bm

If I told you that I loved like an ace

D Em

Then I d be lying cause I ve made some mistakes

G A

Em

But I m trying with perfect faith

When I let you in,

I began to win

Dmaj7/C#

And now I m just all gold

After all I ve done, and the road I ve run

I want to thank you, I want to thank you

E7

All I can do when I think about it is thank you baby

Thank you baby

All I do when I think about it is thank you baby

A

I just want to thank you baby

D

I just want to thank you
