

## Medicate The Kids

Gavin Degraw

**C**  
Tell em say no to drugs, substances make you dumb  
**D** **A**  
Then you say, give em some, are you the victim  
**C**  
Of this experience, child experiment  
**D** **A**  
Teacher s predicament, you re in the system  
**C** **G** **D**  
And if you don t walk the line, you can walk the plank  
**A**  
Your older brother  
**C** **G** **D**  
Wants to control your mind, you re more useful blank

**Em** **E5 D5 E5** **D** **D5 C5 D5**  
Medicate the kids feathers turn to quills  
**A**  
Pump em full of training fluids, powders and pills  
**B**  
There s nothing you can t flush out  
  
And nothing you can t kill

**C** **G** **D** **A**  
Why don t you just back off of us  
**C** **G** **D** **A**  
Before we go crazy  
**C** **G** **D** **A**  
I m gonna tell you, no way, this ain t fair play  
**C** **G** **D** **A**  
Just don t medicate me

**C** **G**  
Tell em, say no to drugs, substances make you dumb  
**D** **A**  
Unless you get em from someone who loves you  
**C** **G**  
One who knows best for you, paid for those tests for you  
**D** **A**  
Knows how to get you through, when it s above you

**C**                                 **G**                                 **D**

And you can t get on top, cause it s high to climb,

**A**

Ponte:

**D**                      **A**                      **E**                      **B**  
Why don t you just back off of us
