

Relative

Gavin Degraw

Intro: **E D9 A E**

Verse 1

E D9
A flash light isn't quite sunlight,
A E
But any light at all seems bright when you're looking in the dark
D9
A wet dream isn't the real thing
A E
It isn't really anything, but at least it makes a spark

Pre chorus:

D A E G
All is relative
D A E
Everything is relative

Chorus:

D
It's all about the way we receive it
A
How much we believe it
E G
Depending on the life you lead if you lead it
D
Compared to yourself
A
Compared to someone else
E G
You care and if you pick
D
The threads in your closet
A
The cash in your wallet
E G
The color of the skin in your blood and how you got it
D A
Compared to yourself and someone else, you care
E G
Everything is relative

Verse 2:

E D9
Pre-made isn't quite homemade
A
But pre-made with a home-name

E

Is almost just the same

D9

Your girlfriend isn't your best friend,

A

But any friend is best

E

When you're freezing in the rain

Pre chorus:

Chorus

Bridge:

D

A

You're either underweight or you're unfit

E

G

Underdressed or overzipped

D

A

Too social or you're just too shy

E

G

Too depressed or you're too high

D

A

Night to day Day to night

E

G

Rich to poor Black and white

D

All is relative

A

Everything is relative

E

All is relative

Chorus
