

Stay

Gavin Degraw

Am **C** **F**
You don't have to be part of the problem

C
I just need a second chance

Gsus
I just need a second chance

Am **C** **F**
Instead of leaving me standing in sorrow

C
I know that you'll understand
Gsus
I'm hoping you'll understand

Pre-Chorus:

Dm **C** **F**
I know that I was wrong
F
But just don't walk away

Chorus:

C **Dm**
Oh, won't you stay
F **G**
I need you, need you here
C **Dm**
When you're with me
F **G**
All others disappear
C **Dm**
I'll follow close
F **G**
So close I'll almost touch
C **Dm**
I need your love
Dm
But it never hurt this much

Verse 2:

Am **C** **F**
I don't want to be someone who's searching

I finally met someone

I finally met someone
Am **C** **F**
And there's a couple of things I'm still learning
C

Just gotta figure out
