and fourth chord.

[Intro]
D# G# D# A#
Cm G# D# A#

[Verse 1]
```
                  G#
```
Wakin up late back in our youth
```
                            A#
```
A picture in my pocket of a rose tattoo
```
Cm                      G#
```
Stood in the cold til our lips turned blue
```
            A#
```
Every little thought I thought was you
```
                  G#
```
Do you ever think about way back when?
```
                    A#
```
Never gettin worried about where we ve been
```
Cm                      G#
```
All over Knoxville livin in sin
```
                      A#
```
When every little heart string played pretend

[Pre-Chorus]
```
D#              G#                D#
```
Oh, I didn t mean to let you go
```
                                  Cm
```
Move too fast, when we re fallin slow
```
        G#                  A#
```
I didn t mean to let you go

[Chorus]
```
Fm              G#
```
How many times do you have to lose
```
Fm                  A#
```
How many times til it gets to you
```
 Cm                G#
```
I close my eyes all I see is you
```
                  A#                        G#
```
How many times can a heart get bruised
```
G#                          Fm                    A#
```

It s an empty room you, just empty space that I never use
Cm   **G#**
How many faces will I lie next to
                       A#   N.C.
How many times til I get to you

[Verse 2]
G#
If we give again and press restart
Fm   **A#**
Drinkin it straight in a burnt out car
Cm   **G#**
Wonderin if there s life on Mars
Fm   **A#**
Now I m only wonderin where you are
Fm   **G#**
Feels like runnin down a one way street
Fm   **A#**
Where all those faces meant nothin to me
D#   **G#**
All the stars that were left unseen
Fm   **A#**
Now you re somewhere else not next to me

[Pre-Chorus]
D#   **G#**   **D#**   **A#**
Oh, I didn t mean to let you go

[Chorus]
Fm   **G#**
How many times do you have to lose
Fm   **A#**
How many times til it gets to you
