

Thinking of all the things I ve done wrong

Hoping their god is out there somewhere

He s listening now

And all along...

D  
And I m told  
A  
There s a god n this moment  
D C#m [\*]  
Watching over me  
D  
I don t know  
A  
Their god in this moment  
D E  
But I know I ll try to believe...

**D** **A**  
Ten years, ten lifetimes older now  
**D** **A**  
Watching, waiting, expecting that day  
**D** **E** **F#m**  
Knowing that I can't hope to imagine  
**Bm** **E**  
The ways my life will change  
**D** **A**  
Now I'm holding my daughter, she's sleeping  
**D** **A**  
I'm staring down at a face just like mine  
**D** **E**  
Knowing that from now on  
**F#m** **Bm**  
Nothing matters as much as this  
**E**  
In my life...

**D**

And I m told

**A**

There s a god n this moment

**D C#m [\*]**

Watching over me

**D**

I don t know

**A**

Their god in this moment

**D E A**

But I know I ll try to believe...

**G**

I m hating you for all you put me through

**A**

**F**

And, I don t know why inside this silence is deafening

You know I gave up everything for you

**A**

I followed you always, all along

God don t let her be gone

**E**

I m lost without you...

Something to make me believe

**D**

God I hope

**A**

You re there in this moment
