

Thinking of all the things I've done wrong
Hoping their god is out there somewhere
He's listening now
And all along...

Chorus: C G C Bm [*] C G C D

And I'm told
There's a god in this moment
Watching over me
I don't know
Their god in this moment
But I know I'll try to believe...

2nd Verse: C G C G C D Em Am D x2

Ten years, ten lifetimes older now
Watching, waiting, expecting that day
Knowing that I can't hope to imagine
The ways my life will change
Now I'm holding my daughter, she's sleeping
I'm staring down at a face just like mine
Knowing that from now on
Nothing matters as much as this
In my life...
