LOVE REMAINS THE SAME " by Gavin Rossdale
Capo 2nd Fret

[Intro]

|D / / / |D / / / |D / / / |D / / / | (17x)

[Verse]

D
A thousand times I ve seen you standing

A4
Gravity like lunar landing

G
You make me wanna run till I find you

D
I shut the world away from here

A4
I drift to you, you re all I hear

G
As everything we know fades to black

[Pre-Chorus]

Em
Half the time the world is ending

G
Truth is I am done pretending

[Chorus]

D **A**
I never thought that I

Em
Had anymore to give

G
You re pushing me so far

Here I am without you

D **A**
Drink to all that we have lost

Em
Mistakes we have made

G
Everything will change

D **Dsus2** **C** **G**
But, love remains the same

[Verse]

D
I find a place where we escape

A4

Take you with me for the space

G

The city buzz sounds just like a fridge

D

I walk the streets through seven bars

A4

I have to find just where you are

G

The faces seem to blur

They re all the same

[Pre-Chorus]

Em

Half the time the world is ending

G

Truth is I am done pretending

[Chorus]

D

A

I never thought that I

Em

Had anymore to give

G

You re pushing me so far

Here I am without you

D

A

Drink to all that we have lost

Em

Mistakes we have made

G

Everything will change

F

But love remains the same

[Bridge]

So much more to say

Gm

So much to be done

Don t you trick me out

F

We shall overcome

C

It s all left still to play

D

A

We should have had the sun

G

Could have been inside

Instead we're over here

[Pre-Chorus]

Em

Half the time the world is ending

A4

Truth is I am done pretending

Em

Too much time too long defending

G

You and I are done pretending

[Chorus]

D

A

I never thought that I

Em

Had anymore to give

G

You're pushing me so far

Here I am without you

D

A

Drink to all that we have lost

Em

Mistakes we have made

G

Everything will change
