Gemini Syndrome

This version has capo on second for easier acoustic chords. Transpose up 2 if you

want to play it without a capo.

Band Website: <http://www.geminisyndrome.com>

It s a really simple song, only 3 chords.

VERSE 1:

G# **B** **G#** **B**
Color-coded blasphemy, this really strange anatomy.
G# **B** **G#** **B**
Is this really my life? Something isn t right.
G# **B** **G#** **B**
The ambiguity, this whole damn conspiracy,
G# **B** **G#** **B**
Playing out in my head. Something isn t right.

CHORUS:

E
I never wanted this.
E **G#**
I never asked for it.
B **G#**
But this is what you gave me.

VERSE 2:

G# **B** **G#** **B**
Stranger than a massacre, this homicidal afterbirth.
G# **B** **G#** **B**
I am not a stranger to living with the anger.
G# **B** **G#** **B**
I don t need a miracle, I just need a place to go.
G# **B** **G#** **B**
Send me to the angels and tell God I said goodbye.

CHORUS:

E
I never wanted this.
E **G#**
I never asked for it.
B **G#**
But this is what you gave me.

BRIDGE:

G# **B**
I could care less about the world sometimes.
G# **B**

A certain inspiration takes me to the afterlife.

G# **B**
I ll see you on the other side.

G# **B**
Nothing ever takes away the shit that I see every day.

G# **B**
With total inconsistencies, so fuck the whole conspiracy.

G# **B**
So long. I m fucking gone.

CHORUS:

E
I never wanted this.

E **G#**
I never asked for it.

B
But this is what you gave me.
Why would you forsake me?
