

Jail Song
Gene Autry

C **Am7** **G7**
Oh I m a young cowboy they say I ve done wrong
C **Am7** **G7** **C**
While I m restin in jail I ll sing you a song
C7 **F** **C**
Of a young cowpuncher who rode into town
C7 **D7** **G7**
And a county marshall they say he shot down
C **Em** **C7** **F** **C**
They say they will hang him but he ain t gonna frown
G7 **C**
(yodel) Woooopee ti yi yippee ti yo

Oh I m a young cowboy I ve landed in jail
Won t a kind hearted Cowboy come furnish some bail
There ain t no justice in this calaboose(?)
But I d get some justice if I could get loose
I ve talked to the jailor but it ain t any use
Whoopee Ti yi yippee ti yo

Oh I m a young cowboy not bad but I m bold
My side of the story is gonna be told
They ll find their mistaken they ve got the wrong man
I ll figure a way to get out of this jam
I m tired of eatin my grub from a can
Whoopee Ti yi yippee ti yo
