Blue Raven - Gene Clark - written by Gene Clark

C F I thought you knew that all of those songs I wrote were about you **C**
F Star crossed and so somehow our harmonies went out of tune **C**
G This time the raven is not silver this time the raven s blue **Am C**
F We were the midnight dancers we spun around the silver moon **C**
F We were the stone romancers and we had all the answers too **C**
G This time the raven is not silver this time the raven s blue **Am C**
