Gene Clark Elevator Operator written by Gene Clark

**E7**

She was an elevator operator she had her ups and downs

She got so high so very fast it took her all day to come down

**G F# F E E7**

I m gonna put you straight to her right now

**G F# F E E7**

She s very busy but I ll explain somehow

Elevator operator elevator operator

**E7**

She was one of the girls that you make feel

That you were up to stay

But when you began to think it was real

She took you down all the way

**G F# F E E7**

I m gonna put you straight to her right now

**G F# F E E7**

I m gonna have to get along without her now
