Lovers Turnaround written by Gene Clark

A **G** **D**
I was just another victim of a lovers turnaround.

D **G**
Sleepless days and endless nights

A **G** **D**
It don t feel good if it ain t right

D **G**
>From darkness comes a new daylight

A **G** **D**
And yesterday is out of sight

D **G**
I searched the clouds from one to nine

A **G** **D**
Didn t know what I was looking for

Or what I might find

A
I saw your face, I was born again

G **D**
I thought I was found

A **G**
I was just another victim of

D
A lovers turnaround

D **G**
You don t know the way I feel

A **G** **D**
And I don t feel the way you do

D **G**
To find your part of being real

A **G** **D**
Little girl is it that hard to do

SOLO

D **G**
Sleepless days and endless nights

A **G** **D**
It don t feel good when it ain t right

G
>From this darkness comes a new daylight

A **G** **D**
And yesterday is out of sight
