Hey sister moon you shine and shine

F# G#m B F# G#m

You say you need my lovin but you want to be free

F# C#7

And you ve made up your mind

F# E D#m F# E D#m

Ah sister moon I am your sun

F# G#m B F#

You have your independence

G#m F# C#7

Except for the one that you depend on

Bm Bm

You say you re tired you ll be living without me

F#7

You know what it is to be alone

B Bm

You ll find yourself another companion

F# C#7

You ll never need to be back home
