If you are serious, don t play with my heart, it makes me furious

But if you want me to love you

Baby I will, you know I will, tell it like it is

Let your conscience be your guide
I know deep down you love me
Give up your foolish pride

Life is too short to have sorrow, here today and gone tomorrow
And so you might as well get what you want
Baby, you live, go on and live, tell it like it is

Life is too short to have sorrow...
