

With Tomorrow
Gene Clark

[Intro]

Em **D**

[Verse 1]

D **G**
It was more like a dream than reality
D **G**
I must have thought it was a dream while she was here with me
Bm **Em**
When she was near I didn't think she would leave
Bm **E**
When she was gone it was too much to believe
D **Bm**
So with tomorrow I will borrow
D **Bm**
Another moment of joy and sorrow
G **G/F#** **Em** **A** **D**
And another dream and another with tomorrow

[Verse 2]

D **G**
So with the sun there won't be time just to look behind
D **G**
There won't be reasons, no descriptions for my place and mind
Bm **Em**
There was so much I was told that was not real
Bm **E**
So many things that I could not taste but I could feel
D **Bm**
So with tomorrow I will borrow
D **Bm**
Another moment of joy and sorrow
G **G/F#** **Em** **A** **D**
And another dream and another with tomorrow

[Outro]

Em **D**
