D G/D
I ve just lost a lifetime
G D
I have just lost my mind
F#
So Mr World look after that girl
D A G A D
The one that I just left behind at 24 Sycamor
G/D A D G A
Where did my baby go? Wh-o-o-o-o-o-o-oh

Who`s gonna mend my rainbow?
Who`s gonna separate all the swimming around,
Back there on the ground
Flowing right under the gate of 24 Sycamor
Where did my baby go? Wh-o-o-o-o-o-o-oh

G A A7 D F#
Windows black, watched me crying and they said
Bm D
It`s all over, you have lost her
G A7
Why don`t you run away?
G A7
What could I say? I said,

Chorus:

D G A7
Where`s the hand that I used to hold?
D G A7
Once so warm but tonight so cold
D G A7 A
Now she`s gone we both must share the pain
She gone
My life is done, it`s ended
Just one more thing to
I`ll take a last look
and then close the book
On someone that I once knew at 24 Sycamor
Where did my baby go? Wh-o-o-o-o-o-o-oh

Chorus

Where s the hand... (fading)
