**Eb**                      **G#**              **Bb**              **Eb**  
Born to lose I ve lived my life in vein  
         **G#**                      **G#sus4**              **Eb**  
Every dream has only brought me pain  
         **Eb7**                                      **G#**  
All my life I ve always been so blue  
         **Bb7**                                      **Eb7**  
Born to lose and now I m losing you

Born to lose it seems so hard to bear  
How I long to always have you near  
You ve grown tired and now you say we re through  
Born to lose and now I m losing you

Born to lose my every hope is gone  
It s so hard to face an empty dawn  
You were all the happiness I knew  
Born to lose and now I m losing you
