

**Princess In Rags**  
**Gene Pitney**

Princess in Rags

Intro: **C Bb Am G Bb C C F C F**

**C C7**  
There s a girl who lives down the track  
**F**  
In a little shack made of timber wood  
**G F**  
And her clothes are all hand me downs  
**Fsus4 C F C F**  
From the folks in town who treat her so good

**C C7**  
Though she hasn t got a dime  
**F D**  
I m so proud that she s all mine  
**F G C**  
Cos to me she s a princess in rags

Now her dad he s a worn out man  
Praying if he can make enough to eat  
And her mum cleans for everyone  
Till the day is done just to makes ends meet

All her wealth is in her charms  
And the sweetness of her arms  
How I love my poor princess in rags

**F F7**  
I know some day I ll find a way  
**C C7**  
To take her out of this old place  
**Am Dm Am Dm**  
I ll work and slave, skimp and save  
**G G7**  
To change her rags to silk and lace

Though it hurts and my body aches  
From the pain it takes just to set things right  
But for now I must be content  
With each moment spent in her arms each night

She s the only girl for me  
And some day it s gonna be  
Just me and my and princess in rags (2x)
