Shady Lady
(Gene Pitney)

E **G#m** **A** **B**
Shady lady brings me down
E **G#m** **A** **B**
Day and night hiding out
E **G#m** **A** **B**
(I m so afraid to come oout)

E **G#m** **A** **B**
She got no reason to be shy
E **G#m** **A** **B** **E** **G#m**
Pretty face no reason to hide her reality
A **E** **B7**
And like a mystery she haunts me

Chorus:

E **B** **A**
Shady lady in disguise
B7 **E**
Let your hair hang down on this heart of mine
A
You re wasting so much time

Every day I see it more
The masquerade is silly cos your personality
Is like a symphony before me
