

Yours Until Tomorrow

Yours Until Tomorrow

C# **D#m7** **G#7** **C#**
Tonight I hold to nothing but the feelings in my soul
 D#m7 **G#7** **C#**
My heart overflows with emotions I just can't control
 Bbm7 **D#m7**
There's someone you are going to
 F# **D#m7**
But tonight I just can't tell right from wrong

Chorus:

G#7 **C#** **D#m7**
Will you be mine until tomorrow
 C# **D#m7**
Will you be mine until tomorrow
 Fm
Give me one night of your life
 F# **C#**
Just be mine till the dawn

Tomorrow the real world will come crashing down on me
I know I must lose you that's the way it has to be
But tonight I see no boundaries
So I beg you before my chance is gone

Chorus

But tonight I see no boundaries
So I beg you before my chance is gone

Chorus and fade
