

In My Dreams
Gene Vincent

I got that from a rare live version. A real gone & wonderful 50 s song.

Intro (with little single notes before the chords, listen to it for the strum)

G Em Am D

Part 1 : (always the same, similar to the intro but without other notes)

In my dreams you told me that you really really care

G Em Am D

In my dreams you told me it s a love that can t compare

G Em Am D

So hold me, hold me, hold me, and never ever let me go.

G Em Am D

In my dreams you told me it s a love that can t compare

G Em Am D

In my dreams you told me it s a love you want to share

G Em Am D

So hold me, hold me, hold me, and never ever let me go.

G Em Am D

Part 2 (this one s more difficult to figure out)

It seems that dreams are sometimes make believe

G C7

But now I know oh that they are real

G C7

For in my dreams you said you love me

A7

And in reality you love me, love me, too.

D

Part 3

Now my dreams have come true, I m as happy as can be

G Am7 D

For I know, in my heart, you won t take this love from me

G Am7 D

So hold me, hold me, hold me, and never ever let me go.
