

(Capo at 1st. Fret)

A

Baby me baby you know I ve had a bad day

**\** 

So baby me baby chase my cares away

D D7 (

Say I m great and I ll make it though it may not quite be true

A

Baby me baby as only you can do

A I

Hold me close let those sweet lips kiss my wounds and make em right

E A A7

Tomorrow will be better but just help me through tonight

07

Sweet baby don t start crying or I ll start crying too

**Y** 1

Baby me baby as only you can do

Lead Ride: D - D - G - A - D - A

A D

Hold me close let those sweet lips kiss my wounds and make em right

F 2

Tomorrow will be better but just help me through tonight

D7 (

Sweet baby don t start crying or I ll start crying too

A D

Baby me baby as only you can do
