Haunted By You

[Verse]

**Em** **Bm D** **Em** **Bm D** **Em**  
I cross the road, and I hide, just to avoid the times

**Bm D** **Em** **Bm** **D** **Em**  
When you stood at my side, so battered by the tide

[Verse]

**Em** **Bm D** **Em** **Bm D** **Em**  
A wreck exposed at my door my eyes they cannot lie

**Bm D** **Em** **Bm** **D** **G**  
So get up from my floor for you, you've had your time

[Bridge]

**Bm** **C**  
Your chance has gone, you're not so strong

**Cm** **G C** **Bm** **D**  
Your words they cannot harm me now.
