Too Many But Few
Geneius Viva

:INTRO: **G-Em-Am-D** (2x)

I.

       G   **Em**   **Am**   **D**
Too many people , you d called but only few listens
       G   **Em**   **Am**   **D**
Too many hungry , you feed and let them feel alive
    Am   **Em**
Just how many times you d helped with their problem
     C   **D**
But all of them just forgotten to thank you
     Am   **Em**   **C**
And so you called the rulers of men ,and ask them softly
        D
Whom shall I send?

:CHO:

    D   **Bm**
Here I am, Lord, send me
      G   **A**
For I am ready
    D   **Bm**
Here I am, wont you believe me
   G   **A**
 For your grace is all over me
  Am   **Em**
 I know you€™d called me also for a million times
C   **D**   **G-Em-Am-D**
 But now this is my response, lord send me!

II.

  G   **Em**   **Am**
 Too many people , have just confirm that they are the
   D
 servants of god
 G   **Em**   **Am**
  And too many words that they say, but all of it, it was
 D
   just a lie
 Am   **Em**
  Just how many times you€™d make them realize
C   **D**
  But all of them did not listen
   Am   **Em**   **C**
And so you called the rulers of men, and ask again softly
     D

Whom shall I send?

:CHO:
```
        D               Bm
```
Here I am, Lord, send me
```
        G               A
```
For I am ready
```
        D               Bm
```
Here I am, wont you believe me
```
        G                           A
```
 For your grace is all over me
```
        Am                                      Em
```
I know you’d called me also for a million times
```
         C                       D
```
But now this is my response, lord send me!
```
        D               Bm
```
Here I am, Lord, send me
```
          G             A
```
For I am ready
```
        D               Bm
```
Here I am, wont you believe me
```
        G                           A
```
 For your grace is all over me
```
        Am                                      Em
```
I know you had called me also for a million times
```
         C                       D                       G-Em-Am-D
```
But now this is my response, lord send me!

(adlib)

:BRIDGE:
```
            Am                              Em
```
Just how many times you d helped with their problem
```
          C                       D
```
But all of them just forgotten to thank you
```
            Am                      Em                  C
```
And so you called the rulers of men ,and ask them softly
```
              D
```
Whom shall I send?

:CHO:
```
        D               Bm
```
Here I am, Lord, send me
```
          G             A
```
For I am ready
```
        D               Bm
```
Here I am, wont you believe me
```
        G                           A
```
 For your grace is all over me
```
        Am                                      Em
```

```
I know you had called me also for a million times
 C                           D
But now this is my response, lord send me!
D            Bm
Here I am, Lord, send me
    G            A
For I am ready
D            Bm
Here I am, wont you believe me
G                          A
 For your grace is all over me
Am                                    Em
I know you had called me also for a million times
 C                       D                    G-Em-Am-D
But now this is my response, lord send me!
```
