E 022100
B x24442
G# 466544
D xx0232
Em 022000

Intro: **E G E G E G# B** x4

Verse 1:

Em
Aligned your eyes
G A
To the shackles of the night
Em
In the quiet you will find
G A
all the world is running wild
Em
So skim the streets
G A
with the blisters on your feet
Em
It's a far and fast escape
G A
show me where's your safe retreat

Refrain:

D Em G D
I'll follow with all my soul
Em G
even though my eyes are closed
D Em
(reaching out) reaching out on

one long way

D **Em** **G**
nothingâ€™s what it seems

Chorus 1:

G
This is just a dream
 A **E**
we won t remember
G
so if we never wake
 A **D E D E**
then all the better

Verse 2:

G A B C
Making drunken
Em
dances of the tears
 G **A**
as the daylights disappears
Em
falling sweetly getting sleepy
 G **A**
this dream is just a dream
Em **G A**
Donâ€™t you drift too far
 Em **G A**
forgetting who you are

(Repeat Refrain)

Chorus 2:

G
This is just a dream
 A **E**
we won t remember
G
so if we never wake
 A **G G A**
then all the better

Bass Solo: **Em** x8

Bridge:

Em
Notice how the light changed

do you recognize
this aint the same city
that was born before your eyes
Are you falling deeper
hearin echos of laughter
chasing you down
thinking of going get out oh

Guitar Solo: Em x4

Chorus 3:

G

This is just a dream

A E

we won t remember

G

so if we never wake

A G G A G G A

then all the better

Outro: Guitar Solo

Em D G A(hold)
