

Avery
Generationals

[Intro]

B E B E
B E B E

[Verse 1]

F# G#m E
Now the dark can see you re welcome to take my place
F# G#m E
And would you keep me company?
F# G#m E
I had the vision of the time I wanted to forget, now
F# G#m E
I m a victim of my pride and vanity

[Chorus]

E B
Well, the good days are gone and I ve said you want them back
F# G#m E
Cause I would still love you
E B
And I was just thinking of everything you never said
F# G#m E
And I would still love you

[Interlude]

B E B E
B E B E

[Verse 2]

F# G#m E
I had the vision of the time I wanted to forget, now
F# G#m E
I m a victim of my pride and vanity

[Bridge]

G#m E
You pose for movies,
G#m E
look off into far distance,
G#m E
this is how usually begins,
G#m E G#m
layer by layer,
N.C.
bit by bit

[Chorus]

E **B**
Well, the good days are gone and I ve said you want them back
F# G#m E
Cause I would still love you

E **B**
And I was just thinking of everything you never said
F# G#m E

And I would still love you

E **B**
Well, the good days are gone and I ve said you I want them back
F# G#m E
Cause I would still love you
