

Carrying The Torch
Generational

Artist: Generationals

Album: Trust EP

I pretty much just got it down by ear, but if theres any mistakes let me know

Intro:

C F

Verse:

C **F**
Someone said last night it will be if its meant to be

C **F**
Sounded so much easier than giving any effort

C
You should nt write those things to me

F
I know your only gonna keep me up at night

C **F**
Staring at the window waiting for the months to go by

Chorus:

G **F**
I would do it if you asked me to

C **F** **C**
Cause I m still carrying the torch for you

C F

C **F**
I really would nt say it if ive been looking high and low [?]

C **F**
Make a move in a new direction

C
I really dont think that you could make it any better

F
It doesnt have a place to go

C
And it got worse

F
And I got lost in the disconnection

G **F**
I would do it if you asked me to

C **F** **C**

Cause I m still carrying the torch for you

F **C**
And if you cant say what you ve been going through
F **C** **G**
You could get rusted and you could be the next to go
F **C** **Em** **Am**
If you cant forget it you gotta learn to cover it up
Dm **G**
It s what the best ones do

C **F**
Someone said last night it will be if its meant to be
C **F**
The voices in your head you gotta keep it to yourself
C **F**
I know you re not talking to me but it takes so long I dont wanna be
C **F**
Staring at the window waiting for the months to go by

G **F**
I would do it if you asked me to
C **F** **C** **Am**
Cause I m still carrying the torch for you
