[Intro]

F C G Bb

[Verse 1]

F C
It may be hard to say it s all over
G Bb
You make it hard to frame the right cover
F C
You re takin off but takin no further
G Bb
You take apart the brains that stop over
F C G Bb
When all it wants is said to move on, it should
F C G Bb
And all the promises we made when they were good

[Chorus]

F C G Bb
Any way you want to say it was only a fear, they were preying on
F C G Bb
Any way you want to say it was always a tear, they were waiting on, dear

[Interlude]

F C G Bb

[Verse 2]

F C
When all you want s to say you re not there
G Bb
That s not the same, the neighbors won t care
F C
It only works to play the right player
G Bb
When all it hurts to say, you won t say it
F C G Bb
When all it wants is said to move on, it should
F C G Bb
And all the promises we made when they were good

[Chorus]

F C G Bb
Any way you want to say it was only a fear, they were preying on
F C G Bb
Any way you want to say it was always a tear, they were waiting on, dear
N.C.
Any way you want to say it was only a fear, they were preying on

N.C.

Any way you want to say it was always a tear, they were waiting on, dear

[Outro]
