

Days Alone
Generational

[Intro]

D G A G
D G A G

[Verse 1]

D **G**
Waking up from fever dreams, you got to wait til now
A **G**
I can see your shattered prism of fading light

[Verse 2]

D **G**
Meditate on what it means to recommit your mind
A **G**
To keep on raising that til the day you die

[Chorus]

A **D** **G**
Exorcize your fears and thinking it strange from all of this
A **D** **G**
Recognize the seasons are changing much faster than your friends suggest
A **G**
If the fall didn t break you from the distant past you know
A **D** **G**
Most of all it s easier than facing your days alone

D G A G

[Verse 3]

D **G**
How s it feel to see them prey upon your life?
A **G**
If they crept inside your skin what could they find?

[Chorus]

A **D** **G**
Exorcize your fears and thinking it strange from all of this
A **D** **G**
Recognize the seasons are changing much faster than your friends suggest
A **G**
If the fall didn t break you from the distant past you know
A **D** **G**
Most of all it s easier than facing your days alone

[Outro]
