Intro Chords:

**C F Am G**

**Am G C F**

I take some comfort in losing my memory.

**C F Am G**

**Am G**  
Then I get it back and I said,

**C F**  
"So this is what they mean?"

**C F Am G**

**F G**

They don't say that don't make it hard.

**C F Am G**  
Everybody's making faces in the dark.

**C F Am G**  
Don't stop struggling, that's what sets you apart.

**C F Am G**  
It's the ghost of inhibition that's what's breaking your heart.

**C F Am G C**  
Everybody, everybody's making faces in the dark.

**Am G C F**  
Now I understand inhibition I was listening to.

**C F Am G**

**Am G C F**  
Itâ€™s the middle of the summer and I got nothing to do.

**C F Am G**

**F G**  
I only miss my own city park.

**C F Am G**  
Everybodyâ€™s making faces in the dark.

**C F Am G**  
Donâ€™t stop struggling, thatâ€™s what sets you apart.

**C F Am G**  
Itâ€™s the ghost of inhibition thatâ€™s whatâ€™s breaking your heart.

**C F Am G C**  
Everybody, everybodyâ€™s making faces in the dark.

**F C**  
And you let your self see

**F C Am Em**  
youâ€™re making a mess of it all and Esteban,

**F C G**  
your sister and me weâ€™re all right.

**F C**  
There is a perception of a regular thing.

**F C Am Em F C**  
You have been covering up all the things you wonâ€™t let anyone see.

**Am Em F C**  
Though youâ€™re really close by you wonâ€™t see me.

**Am Em F C G**  
I got a double in the city thatâ€™s burying me tonight.

**Am G C F**  
So how is it that the memory is still so clear?

**C F Am G**

Am G C F  
And you can't sell it back so pretty while it's here.

C F Am G

F G  
They get sad and it temps and they start.

C F Am G  
Everybody's making faces in the dark.

C F Am G  
Don't stop struggling, that's what sets you apart.
