C F Dm  
I remember you holding out for a banger to dance to  
C F C  
And you were never more mythical

[Solo]

C F Dm C F Dm

[Verse 2]

C F Dm C  
It took a minute to screw it up, just seventeen years to fix

You know you were never more mythical

[Solo]

C F Dm C F Dm

Yeah, they say heaven is a highway, anything you said,

Turns out I could use a big favor, do you have someone

I remember you holding out for the daylight to hang back  
C F  
When you were never more
