

Afterglow

Genesis

G# G#maj7 C#/G G#sus
Like the dust that settles all around me

G# G#maj7 C#/G F# Eb
I must find a new home

G# G#maj7 C#/G G#sus
The ways and holes that used to give me shelter

F Bb C / G# Eb
Are all as one to me now

E F#m D E
But I, I would search everywhere, just to hear your call

F#m
And walk upon stranger roads than this one

D E B C# / G#sus /
In a world I used to know before, I miss you more

G# G#maj7 C#/G G#sus
Than the sun reflecting on my pillow

G# G#maj7 C#/G G#sus
And the sounds that echoed all around me

F Bb C / G# Eb
I caught a glimpse of in the night

E F#m D E
But now, now I've lost everything, I give to you my soul

F#m
The meaning of all that I believed before

D E B C#
Escapes me in this world of none, no thing no-one

Ebm B C#
And I would search everywhere, just to hear your call
