

Afterglow
Genesis

F# F#maj7 B/G F#sus
Like the dust that settles all around me

F# F#maj7 B/G E C#
I must find a new home

F# F#maj7 B/G F#sus
The ways and holes that used to give me shelter

Eb G# Bb / F# C#
Are all as one to me now

D Em C D
But I, I would search everywhere, just to hear your call

Em
And walk upon stranger roads than this one

C D A B / F#sus /
In a world I used to know before, I miss you more

F# F#maj7 B/G F#sus
Than the sun reflecting on my pillow

F# F#maj7 B/G F#sus
And the sounds that echoed all around me

Eb G# Bb / F# C#
I caught a glimpse of in the night

D Em C D
But now, now I've lost everything, I give to you my soul

Em
The meaning of all that I believed before

C D A B
Escapes me in this world of none, no thing no-one

C#m A B

In a world I used to know before
