   A        Amaj7    D/G           Asus
 Like the dust that settles all around me

   A      Amaj7      D/G    G    E
  I must find a new home

   A           Amaj7      D/G           Asus
  The ways and holes that used to give me shelter

 F#           B          C#  /  A    E
  Are all as one to me now

     F                 Gm                Eb       F
  But I, I would search everywhere, just to hear your call

            Gm
  And walk upon stranger roads than this one

      Eb                    F      C       D  /  Asus  /
  In a world I used to know before, I miss you more

   A        Amaj7    D/G           Asus
  Than the sun reflecting on my pillow

   A        Amaj7      D/G           Asus
  And the sounds that echoed all around me

 F#           B                  C#  /  A   E
  I caught a glimpse of in the night

     F                 Gm                Eb       F
  But now, now I ve lost everything, I give to you my soul

            Gm
  The meaning of all that I believed before

    Eb                    F      C       D
  Escapes me in this world of none, no thing no-one

                       Em            C       D
  And I would search everywhere, just to hear your call

              Em
  And walk upon stranger roads than this one
