Cuckoo Cocoon  
From The Lamb Lies Down on Broadway

TABLATURE: By Jeff Nicolaus (\*) Sept 3, 1997.

TUNING: Standard

ARRANGEMENT: Taken off studio version. The guitars are mellow and effects laden. The intro and regular verse seem to have been recorded using a Travis style of finger picking, where the thumb is alternating. This version is a little more syncopated and more to my liking.

I will also include an optional more aggressive style of picking for comparison.
