

Home by the sea
Genesis

Dm

Home by the sea, home by the sea,
home by the sea, home by the sea

C

Creeping up the blind side, shinning up the wall

Dm

Stealing through the dark of night

C

Climbing through a window, stepping to the floor

Dm

Checking to the left and the right

C

Picking up the pieces, putting them away

Bb Gm

Something doesn't feel quite right

Bb

Gm

Dm

Welcome to the home by the sea

C

Coming out the woodwork, through the open door

Dm

Pushing from above and below

C

Shadows with no substance, in the shape of men

Dm

Round and down and sideways they go

C

Adrift without direction, eyes that hold despair

Bb Gm

Then as one they sigh and they moan

Dm

Bb

Gm

Dm

Help us, someone, let us out of here

Living here so long undisturbed

Bb

Dreaming of the time we were free

Things that go to make up a life

Endless days of summer, longer nights of gloom

Waiting for the morning light

Scenes of unimportance, photos in a frame
